

5 April 2016

Dear Parents and Caregivers,

School Charter Review

As part of our ongoing development as a school, the Board of Trustees is seeking your input to assist with our planning. We are currently reviewing our School Charter and would appreciate your involvement in this process.

A short online survey has been created through Survey Monkey, which should take no more than 10 – 15 minutes of your time. Please type the link below into your internet browser:

<https://www.surveymonkey.com/r/RB9C56W>

The survey period is now open and it will close on Friday 15 April at 3pm.

Your responses will help the Board with the development of an updated Charter, School Vision and Graduate Profile for our Year 6 leavers. We will keep you up to date with this process via school newsletters.

If you would prefer to take part in this consultation with a hard copy survey, please contact the school office. It will also be uploaded to our school website under the Newsletter section. If you have any queries, please feel free to contact either of us.

Yours sincerely,

Glen Smith
Chairperson
Board of Trustees
