

To Parents and Whanau,

You are invited to a presentation on the issues and dangers associated with the inappropriate use of computers, mobile phones, digital cameras and the internet.

This technology is marvellous, it allows us to communicate, connect and explore the world – we just need effective education to help reduce risk!

Presented by John Parsons
Internet Safety and Risk Assessment Consultant

Solutions to reduce risk and maximise the potential of this technology
will be discussed.

Attendees will leave with knowledge to help, support and protect their family.

7 – 8.30pm - Monday 9 May
Geraldine Primary School Hall
Wilson Street
Geraldine

Entry by donation at the door – proceeds to Geraldine Social Workers Trust

Parents / Whanau – if you have children who currently use the internet and other digital technologies or who are likely to in the years ahead, this evening is not to be missed. It is open to all parents / whanau of pre schoolers, primary and secondary aged students.

John will be talking with all primary and secondary students during the school day as part of his visit.
